**Subject: Awareness Campaign for Filing of Income Tax Return for Tax Year 2021**

I am directed to refer to the subject and to say that the FBR's portal (IRIS) is now opened for filing of return for salaried persons, business individuals, Association of Persons (AOPs) and corporate entities having special financial year. The last date for filing of income tax returns for the tax year 2021 is September 30, 2021. **The due date for filing of Income Tax return will not be extended this year.** A proactive approach to sensitize taxpayers about legal obligation of return filling is imperative to increase number of filers.

2. Keeping in view the importance of the matter all formations are requested to take possible measures including conducting seminars/workshops, establishing kiosks, engaging all stakeholders and using all forms of media to ensure maximum return filling by due date.
